8 July 1957

MEMORANDUM FOR: Deputy Director (Support)  
SUBJECT : Annual Report of the Medical Staff on  
              Wartime Preparation  
REFERENCE : Your memorandum, Subject: Annual Report  
              on Wartime Preparation, dated 11 June  
              1957

1. As requested, attached is the Annual Report of the Medical Staff on Wartime Preparation for the year ending 30 June 1957. This report is in two parts:

**Tab A - Emergency Planning**

**Tab B - Overseas Planning**

2. Also as requested, the following statement is submitted as the opinion of this staff as to the Agency's capability to perform in time of war as this capability relates to the Medical Staff:

Provided the necessary personnel and logistical support is promptly available from the Department of Defense, the Agency's wartime medical mission as presently conceived may be fulfilled.

JOHN R. TLETJEN, M.D.  
Chief, Medical Staff
